### **Security issue for the churches in Ealing**

We have been notified that several other churches/premises in the Ealing area have been broken into recently. From the chaos left behind it appears the perpetrators were only interested in money. Please be vigilant in locking up, closing windows and making sure no money is left on the premises.

### **Safeguarding Training (Creating Safer Space) at Kingsdown – 12.30pm Saturday 7<sup>th</sup> July**

Safeguarding training for all church attendees will be held on Saturday 7th July at Kingsdown Methodist Church starting at 12.30pm.

Lunch will be “Bring & Share” so each person attending the session is requested to bring lunch to share.

We are happy to deliver this training because the Methodist Church believes that:

- Every person has a value and dignity which comes directly from the creation of humans in God's own image and likeness.
- Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

The Principles state:

We are committed to the care and nurture of, and respectful pastoral ministry with, all children, young people and adults the safeguarding and protection of all children, young people and adults when they are vulnerable the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.

Remember safeguarding is everyone's responsibility and integral to being church.

Please add your name to the list in the foyer.

I shall be available to answer any questions you may wish to discuss.
